PROGRAM INFORMATION

Program Name: Data Science

Orientation Date: April 1 - April 3, 2020

Status: Full-time (1280 - 1600 hours)

Total Sprints: 32 sprints of required coursework and 8 dedicated sprints of guided job search and portfolio building. 1 sprint is 1 week for full time, 2 weeks for part time.

Program Start Date: April 6, 2020

Program Scheduled Completion Date: November 20, 2020

Guided Job Search & Portfolio Building Completion Date: February 5, 2021

Guided Job Search & Portfolio Building Completion Date: February 5, 2021 We've designed our programs to support *you* on your individual journey towards a new career. You may finish the program sooner or later, depending on your personal pace and needs in the program. Lambda School programs are hard, and you may need to repeat units. You may also participate in student leadership or other programs. As a result, your actual completion date(s) may be later than listed above.

NOTE: We've built eight sprints of guided job search, portfolio building, and career services into your time at Lambda School. However, once you've completed your program, those services remain available to you ongoing for as long you actively participate in them, even if your job search extends beyond the scheduled time.

Classes for Full-Time are Monday-Friday 8 am-5 pm. For Part-Time: Mon-Thurs 6pm-9pm or 4pm-7pm (by cohort) plus Fri, Sat, or Sun. All hours are listed in Pacific Standard Time.

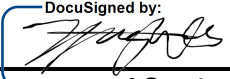

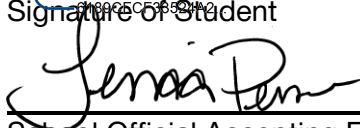

ITEMIZATION AND TOTAL TUITION FEES

Item	Cost	Refundable?
Registration Fee	\$0.00	Refundable
Tuition	\$30,000	Refundable subject to Pro-Rata Refund Policy on next page

You have options in how you pay for your Lambda School program.

- Pay tuition upfront. You owe the full tuition amount after you sign this agreement and before your first day of instruction. You may be able to arrange options with third parties to finance upfront tuition.
- A Lambda School Income Share Agreement (ISA):
 - Tuition is your ISA's cap (i.e., the maximum amount you may owe under the ISA).
 - Prior to signing an ISA, you will be provided detailed disclosures and additional information about payment, deferrals, and other important items. Visit www.lambdaschool.com/ISAINfo anytime for more information.

I understand that this is a legally binding contract. I have read, understood, and agreed to my rights and responsibilities, and Lambda School has clearly explained in this document its cancellation and refund policies.

CANCELLATION AND REFUND POLICY FOR ALL PROGRAMS AND STUDENTS

THE STUDENT'S RIGHT TO CANCEL

We are aligned for your success and support you every step, but we understand in some cases you may not be able to continue or want to withdraw from Lambda School.

You may withdraw from a program without owing any tuition or penalty before the last class of Sprint 4. If you withdraw or are withdrawn between the end of Sprint 4 and the end of Sprint 10, you will be responsible for a pro-rata portion of your tuition and receive a refund for applicable

amounts paid in advance. If you withdraw or are withdrawn upon or after the end of Sprint 10, you will be responsible for 100% of your tuition. See chart on next page.

LAMBDA SCHOOL'S RIGHT TO WITHDRAW OR TERMINATE

Lambda School can terminate your enrollment or withdraw you at any time for failure to comply with policies in the Student Guide and generally, including lack of attendance.

Note: Students may miss no more than eight hours of class per month. If you are withdrawn from Lambda School, the tuition proration policy will apply based on when you are withdrawn. Note that depending on the reason for withdrawal, you may not be eligible for re-admission.

HOW TO WITHDRAW FROM THE PROGRAM AND CANCEL YOUR ENROLLMENT

You can withdraw by contacting the Student Success team via Slack at /frontdesk or by email to cancel@lambdaschool.com, effective the day of the clear message requesting withdrawal.

TUITION PRORATION FOR TUITION OWED AFTER WITHDRAWAL

If you withdraw or are withdrawn, we will calculate owed tuition per the chart below. Sprints last 1 week for full time and 2 weeks for part-time.

The end a Sprint under this chart means all the classes in that sprint have occurred (whether or not you attended those classes) and does not require a passing mark. There is no additional cost for participating in our Flex program, so repeated sprints from Flex are not counted twice.

Sprints Ended	% of Tuition Owed	\$ of Tuition Owed
0	0%	\$0
4	40%	\$12,000
5	50%	\$15,000
6	60%	\$18,000
7	70%	\$21,000
8	80%	\$24,000
9	90%	\$27,000
10	100%	\$30,000

HOW REFUNDS WORK

Within 45 days, amounts due to you per the chart above will either be refunded directly to you if prepaid or, for ISAs, communicated to your ISA service provider for adjustment to your ISA cap (which is your tuition amount).

If any portion of the tuition was paid from the proceeds of a loan or by a third party, any applicable refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan.

Initial this page 

FOR STUDENTS WHO OBTAIN OUTSIDE LOANS OR PARTICIPATE IN OUTSIDE PROGRAMS

If you obtain a loan from a third party to enable you to pay tuition, you will have the responsibility to repay the full amount of the loan plus any interest, less the amount of any refund. If you default on such third party loans, your loan provider and/or loan guarantee agency may take action against you and that is not action on behalf of Lambda School.

You may have the opportunity to participate in third-party programs or sponsorships that contribute to your Lambda School tuition and may involve their own repayment and/or other obligations. You are solely responsible for any agreement you may have with these providers and understand they may have other conditions or terms for which Lambda School is not responsible.

EQUIPMENT AND INTERNET CONNECTIVITY REQUIREMENTS

Lambda School's programs are completed entirely online, in real time, at a physical location determined by the student. The System Requirements below are set forth by Lambda School.

Minimum	Recommended
1.6 GHz Processor	2 GHz Processor
4 GB RAM (5 GB of RAM for the iOS Course)	16 GB RAM
120 GB Hard Drive	256 GB Hard Drive (preferably solid state)
Monitor or Screen Display	Recommended operating systems (in descending order)
Web Cam	macOS*
Microphone	Windows 10
Consistent access to internet, e.g., Wi-Fi	Ubuntu

*** Please Note:** For the iOS course, macOS is required (10.14 Mojave or later). For UX, macOS is strongly encouraged. Versions of Windows older than Windows 10 will work for Full Stack Web and Data Science, but students should anticipate occasional environment issues. Chromebooks are not supported, as coursework involves installing and running software locally.

NOTICE CONCERNING NON-ACCREDITATION, CREDIT NON-TRANSFERABILITY, AND TAX

As a non-accredited institution, Lambda School does not accept transferred-in credits, nor does it provide credits transferable to other institutions. Lambda School does not issue 1098-T or other tax forms for payments of upfront tuition or on your ISA.

INITIAL TO CERTIFY THAT YOU ACKNOWLEDGE, UNDERSTAND, AND AGREE THAT:

- 1. Income Share Agreement or Other Agreements:** If I enter into an Income Share Agreement, the terms of that agreement define my payment obligations to Lambda School. If I obtain any type of financing, I will remain responsible to Lambda School for amounts due under this Enrollment Agreement.

INITIAL

2. **Tuition Responsibility:** I am responsible for paying the full tuition amount listed above. If I obtain a loan, financing, and/or other payment arrangement including an income share agreement (ISA), I am responsible for repaying the loan amount plus any interest or the amount owed, including under my ISA, as applicable, in each case less the amount of any applicable refund if I withdraw or am withdrawn. Once I enroll, the tuition amount will not and cannot be changed based on any factor other than Sprints ended as noted above.
3. **Academic Requirements:** A Certificate of Completion is available after completion of all of the program requirements. To graduate, I must successfully complete all program courses, attend 95% of classes, and earn a minimum passing Sprint Challenge score of "Meets Expectations" for each Sprint Challenge. Percentage is based on a 1, 2, 3 grading system. 1= does not yet meet objectives, 2= meets objectives, 3=exceeds objectives.
4. **Catalog and Student Guide:** I can view Lambda School's policies, procedures, and other information about their programs anytime in the Student Guide, available at www.lambdaschool.com/studentguide or in their catalog. Lambda School reserves the right to change any provision of the catalog and Student Guide at any time. Notice of changes will be communicated to me at the URL listed above. Lambda School expects me to read and be familiar with these documents. By enrolling in Lambda School, I am agreeing to abide by the terms stated in the catalog, Guide and all school policies.
5. **Career Services:** Lambda School provides placement assistance when students are actively engaged in their programs. However, Lambda School does not and cannot promise or guarantee employment, level of income, or wage rate(s) to me or any student or graduate.
6. **Syllabus Changes:** Lambda School moves quickly with a goal of keeping students on the cutting edge of the field they're learning. Within a program, Lambda School may make changes to the program, syllabus material, or projects required for future students. When appropriate, I may be offered the chance to opt-in to those changes. Lambda School will give notice of changes, and such changes are not grounds for a refund.
7. **Feedback and Complaints:** Lambda School will address any complaints pursuant to its policies, available for review in the catalog and Student Guide. I can access /frontdesk on Slack at any time with questions, complaints, or feedback regarding this agreement, the Program, curriculum or anything else.
8. **Instructors, Student Success, Student Leaders, and Teams:** I will work with a number of instructors, student success staff, student leaders, and cohort peers during my time at Lambda School. As I go through the program, I will be part of different small teams. I will also work with student leaders (team leads, section leads, or similar) who will help mentor and guide me through the program. Active participation with my team and team lead are required to progress through the program.
9. **Learning Environment:** One of Lambda School's most important jobs is building and maintaining a strong, supportive, positive learning environment that leads to successful career outcomes for all of their students. Lambda School takes that job very seriously. Any activity (creating distractions, bullying, harassment, etc.) that negatively impacts the learning environment may result in being removed from the program. Changes to my

enrollment due to behavior that detracts from the learning environment would follow the pro-rata policy for tuition provided above.

10. Student Leadership and Roles: I may have the opportunity to apply for a student leadership role (team lead, section lead, or similar) at Lambda School or a role with a partner of the school such as through the Studios program. Such roles require an application process that considers a variety of factors and are not guaranteed, either initially or for a set time. If I am selected for and opt to take a position, that could affect my Lambda School completion date(s). Each role requires continued good standing in the role and as a Lambda School student under the Student Guide.

11. Flex Program: Lambda School's Flex program allows me to repeat content that I have not yet mastered at no additional cost. Learning at Lambda School follows a mastery-based progression model, and I understand that I may need to repeat portions of class to ensure I have the skills to succeed in my program and new field. That may mean extending the length of my program.

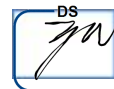

12. Owning Your Learning: While Lambda School fully supports me, it's ultimately my responsibility to take an active role in my learning and understanding. This might mean that to master material, I put in additional study hours beyond scheduled class time. Or, that I might benefit from resources beyond Lambda School support channels, such as to learn another programming language or enhance my understanding of a concept and to prepare myself. Lambda School's value includes equipping me with tools to do this.

13. School Property, Intellectual Property, and Privacy: I am responsible for maintaining the appropriate security of Lambda School property, both tangible, like computers and tech equipment, and intangible intellectual property such as curriculum and content. Unless otherwise agreed in writing, Lambda School property in my possession or control must be immediately returned to Lambda School upon any extended leave, withdrawal, completion, and/or termination. If I do not return, or I misuse, improperly share, or pirate Lambda School or others' property, or violate their privacy rights (for example by recording conversations without notice, whether online or offline), I may be subject to disciplinary action, up to and including legal action.

14. Academic Integrity: Asking for help and researching online is a key part of learning; however, I cannot use code I did not write. I will not shortcut my education by cheating. I will ask for clues, not code, when seeking help. If I put in the effort, I will reap the reward. Lambda School will investigate and take action on violations in line with their Code of Conduct and Student Guide.

15. Additional State Specific Provisions: There may be additional or different terms related to my enrollment and required by the state or city where I live, and Lambda School may request my written assent to such terms during my enrollment. Lambda School's provision of services under this Agreement benefits me starting on my day of enrollment and continues through my time in the program and beyond.

☒ By checking this box, I certify that the information I have submitted here is true and correct, and understand that if it is false, that is a violation of this Agreement.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Lambda School (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Lambda School:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: cynthia.mcgillis@lambdaschool.com

To advise Lambda School of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at cynthia.mcgillis@lambdaschool.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Lambda School

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to cynthia.mcgillis@lambdaschool.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Lambda School

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to cynthia.mcgillis@lambdaschool.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Lambda School as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Lambda School during the course of your relationship with Lambda School.
